SUPPLEMENTAL AMENDMENT AND RESPONSE TO RESTRICTION REQUIREMENT

Dear Sir:

RECEIVED

TECH CENTER 1600/2900

The present paper is a resubmission of an Amendment and Response to Restriction Requirement filed 4/22/03 in the above-identified case. This resubmission is in response to a Notice of Non-Compliant Amendment mailed May 1, 2003 requiring a complete listing of all the pending claims. Canceled claims 23-27 were not listed in the listing of the claims in the original submission. The present Supplemental Amendment and Response to Restriction Requirement includes the statement "23-27. (Cancelled)" on page 4, line 16, and is accordingly believed to be in compliance with the voluntary revised amendment practice guidelines.

The present communication is responsive to the Office Action mailed on November 18, 2002 (Paper No. 12). That Office Action set a shortened statutory period for reply of three months. This response was timely filed with a Petition for Extension of time for two months with fees when originally filed and received in the United States Patent and Trademark Office on April 22, 2003. The present Supplemental Amendment and Response to Restriction Requirement is filed within the time period of one month set by the Notice of Non-Compliant Amendment and so is timely filed.

The present communication satisfies the Examiner's Requirement for Restriction.
